

Y5 Home Learning Tasks – Week beginning Monday 22nd June 2020

Reading

Read the attached biography of Stormzy.

1. Where was Stormzy born?
2. Why do you think his career in engineering didn't quite work out?
3. Why do you think one of Stormzy's nicknames is "Big Mike"?
4. "... in 2016, he took a complete social media hiatus." What do you think the word **hiatus** means?
5. Would you like to freestyle? Why/Why not?

Quick Fire Grammar

despite yet although because

Choose the best connective from above to complete each sentence:

1. Susie went to the doctor _____ she wasn't feeling well.
2. Sam was feeling happy, _____ he felt tears fill his eyes.
3. Erol entered the room _____ feeling nervous.
4. Her face turned red _____ she felt embarrassed.

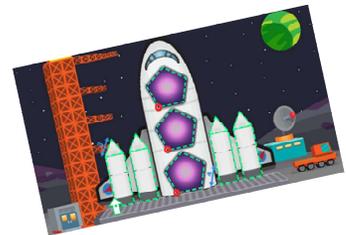

Geography

Attached is a world map – can you find the below on the map? If you need to, you could sketch your own version and label it...

- | | |
|-------------------------|----------------|
| The UK | USA |
| Sheffield | Canada |
| France | South Africa |
| Germany | Kenya |
| Brazil | Russia |
| Mount Everest | The River Nile |
| The Great Wall of China | Tokyo |

Computing

This week we go forward in time for rocket research! Another tricky one so make sure you watch the video carefully first and remember what you have learned in previous weeks – you'll need all your learning so far to complete the task!

Maths

Here is a grid of four "boxes":

You must choose four different digits from 1–9 and put one in each box. For example:

5	2
1	9

This gives four two-digit numbers:

- 52 (reading along the 1st row)
- 19 (reading along the 2nd row)
- 51 (reading down the left hand column)
- 29 (reading down the right hand column)

In this case their sum is 151.

Try a few examples of your own.

Is there a quick way to tell if the total is going to be even or odd?

Your challenge is to find four different digits that give four two-digit numbers which add to a total of 100.

How many ways can you find of doing it?

PE

Well done to everyone that tried Mr Malkin's task of the day last week! Please remember your target is to do 60 minutes of physical activity a day. This week's home learning will help you to achieve this! Click on this link then select week 4.

Your task this week

Do remember how to pass a basketball? You should take one step forward as you throw a pass. Try out this game of battleships with a partner! It uses the same throwing technique.

Please email a photograph or video of you completing this activity.

We look forward to seeing what activities and learning you have been getting up to at home!

Please email your responses or questions to y5@bankwood.sheffield.sch.uk Emails will be answered between 9.00am and 3.30pm, Monday to Friday.
