

Y5 Home Learning Tasks – Week beginning Monday 29th June 2020**Reading**

Read the attached extract from "Thief" by Malorie Blackman,

1. "You London folk are all the same." What does this phrase tell us about where this story take place?
2. "We've taken it for a day and no-one has ever even noticed." Do you think this is true? Why/Why not?
3. Describe the personalities of Lydia and Anne. Use evidence from the text to justify your descriptions. (e.g. I think Lydia is _____ because in the text she says, "_____")
4. Do you think Lydia takes the Sports Cup in the end? Why/Why not?

Art and Design

Sheffield artist Pete McKee has been running online cartoon drawing workshops.

<https://www.youtube.com/watch?v=q8f8ag58jDs>

We would love to see your attempts at drawing cartoons in the style of Pete McKee.

Could you draw a self-portrait? A picture of a family member? Or a very polite drawing of your teacher!

Send us a photo of your work!

Quick Fire Grammar

Don't say "said" say

Replace "said" with a better word:

"Oh no, not more homework," said the children.

"Wow, a new bike" said George.

"I'm going to turn you into a frog," said the witch.

"I've lost my mummy," said the little girl.

What is the most interesting way to finish the sentence?

Hurriedly

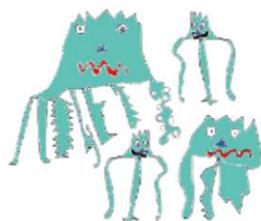

Sadly

Computing

This week it's time for the Royal Rubies! Add the four rubies to the ring – make sure you use the ruby procedure and the repeat function!

**Maths**

On the planet Vuv there are two sorts of creatures. The Zios have 3 legs and the Zepts have 7 legs.

The great planetary explorer Nico, who first discovered the planet, saw a crowd of Zios and Zepts. He managed to see that there was more than one of each kind of creature before they saw him. Suddenly they all rolled over onto their backs and put their legs in the air.

He counted 52 legs. How many Zios and how many Zepts were there? Do you think there are any different answers?

PE

Thank you to those people who completed a challenge every day last week. We hope the activities are helping you to reach your 60 minutes of physical activity per day. Please click on this link then select week 5 to keep up with Mr Malkin and the Links team!

Your task this week

Have you been practising your times tables, and your squats? Remember your times tables are very important as knowing them will help you to answer maths questions in your sats next year. Have a go at this activity and help to keep fit and strong at the same time!

<https://www.youthsporttrust.org/sites/default/files/Active%20Learning%20Times%20Table%20Squats.pdf>

Please email a photograph or video of you completing this activity.

We look forward to seeing what activities and learning you have been getting up to at home! Please email your responses or questions to y5@bankwood.sheffield.sch.uk Emails will be answered between 9.00am and 3.30pm, Monday to Friday.
