

FS1 Home Learning Tasks – Week beginning Monday 8th June 2020

Writing

Read the story 'Alan's big scary teeth' by Jarvis.

You can listen to the story here, read by the author.

https://www.youtube.com/watch?v=fcUA0jmg_9Q

At the end of the video Jarvis shows you how to draw Alan.

We would love to see a picture of your drawing.

Health and self-care

Talking teeth

Look in a mirror and have a good look at your teeth! **Can you count all the teeth you have?** Adults who have all their teeth will have 32 of them. Children have milk teeth up to about 20. These will wobble out and be replaced by grown-up teeth. It is very important that you look after your teeth and brush them twice a day. **Can you brush your teeth whilst looking in the mirror,** remembering to go, 'up and down' 'side to side' and 'in and out'? Maybe even set a timer for 2 minutes and brush your teeth until it is finished or get your adult to sing a silly song while you brush them. This is our favourite song to brush our teeth to:

<https://learnenglishkids.britishcouncil.org/songs/brush-bus>

Now, don't forget to SMILE and show off those teeth!

Phonics

Watch the video on how to pronounce phonemes.

https://www.youtube.com/watch?v=TTe5_EmOBHQ

Writing

Secret messages

Ask your grown up to write you a secret message and then ask them to hide it somewhere for you to try to find it! Now it's your turn to **write a message for someone in your family.** Your grown up can help you to write your message or you could draw a picture instead. Where can you hide your secret message?

Self confidence

What I like about myself

Choose a special object such as a soft toy or a pebble and sit with your family. Pass the special object around to your family members. When you are holding the object it is then your turn to talk. Tell your family what you like about yourself, you might say something like 'I like that I can... touch my toes/sing/draw cars/put socks on by myself' or maybe something like 'I like my curly hair or green eyes' etc.

You could also tell your family what you like best about them too.

Physical development

Inside bowling

Using cups to create a tower. Add less cups to the next row above each time.

Use a ball try to knock down as many cups as possible and write down your score.

Send us a photo of your game!

We look forward to seeing what activities and learning you have been getting up to at home. Please email your responses or questions to FS1@bankwood.sheffield.sch.uk
Emails will be answered between 9.00am and 3.30pm, Monday to Friday.
