

Y1 Home Learning Tasks – Week beginning Monday 6th July 2020

Reading

How many books have you managed to read during lockdown? Which one has been your favourite?

Draw a picture from your favourite book. This could be the main character or just one of the illustrations which you really like.

Discuss the following questions with a family member.

1. What is the title?
2. Who is the author?
3. Who is the illustrator?
4. What is the book about?
5. Why do you like this book?
6. What is your favourite part?
7. How does the story end?
8. How could the story have ended differently?

Writing

Re-write the following paragraph in your best handwriting. The paragraph is missing full stops and capital letters. There are also 5 spelling mistakes. Can you spot them all and improve the paragraph?

tom went to teh shops with his mum and sister he wonted to buy some carrots for his pet rabbit and sum sweets for himself when hee got to the shops he bought the carrots and sweets but his mum sed that he wasn't allowed to eat the sweets until after he'd had his tea tom was really sad but it was almost tea time so he didn't have to wait very long

PE

Great work to everyone who has kept up with Mr Malkin and the Links team's challenges. At Bankwood, we are also lucky enough to work with Thornbridge Outdoors. Please try at least one of these simple yet exciting looking outdoor homework challenges!

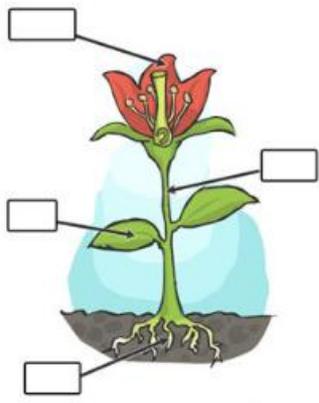

<http://links-ssp.com/wp-content/uploads/2020/03/Thornbridge-Outdoors-Active-Homework-2020-1.pdf>

You could print out a sheet to complete it or if you don't have a printer then you could take a picture or video of you completing a challenge and email it to your teacher. Could you complete all of these challenges over the summer holidays?

Your task this week

Can you remember how to do a tuck jump? A straight, a star, a straddle? Help to refresh your memory on your gymnastic moves with this simple activity where you create your own shapes.

Science

Draw a picture of a flower like the one above. If you have any plants in your house or garden you can look at, that's even better.

Use the words below to label your drawing. Talk to an adult about what you think each part of the flower does.

Follow this link to find out more about plants.

petals
leaves
stem
roots

Maths

Last week you named and described the properties of 3d shapes. This week we would like you to go on a shape hunt. Look around your house, garden and even when you are walking outside. See how many objects you can spot and say what 3d shape they are. How do you know you are correct? Can you look at the properties to check?

We look forward to seeing what activities and learning you have been getting up to at home!

Please email your responses or questions to y1@bankwood.sheffield.sch.uk Emails will be answered between 9.00am and 3.30pm, Monday to Friday.
