**Afterschool Gardening Club**

Dear parents and carers,

This half term, I will be starting an afterschool Gardening club for Y3, Y4 and Y5 students. There will be space for 10 students between the year groups. We will be learning basic gardening skills, growing flowers and vegetables and helping to develop the school grounds into a greener and more wildlife friendly space.

The club will run on Monday’s between 3:30pm and 4:30pm. Your children will need to be picked up from school promptly at this time.

The Gardening Club will run termly, so if your child does not get a chance to be part of the club this term, they may be able to be part of it in the following term. At the end of the summer term parents will be invited in to school for a tea party to see the areas that we have developed.

If your child would like to be part of this club, please sign the permission form underneath and return it to school by Friday 26th May. I will keep all permission slips to be used throughout the year.

Regards  
Mr Floyd, Forest School Teacher
