Dear Y6 Parents,

Children's Mobile Phone Permission

Children should only bring their phones into school if they are walking to school alone or walking home alone and they need to have them in case of an emergency.

If your child fits the above criteria, could you please sign and return the slip below to indicate that due to safety reasons you wish your child to bring a phone into school. If they do not fit the criteria, a mobile phone does not need to be brought into school and should be left at home.

Please note that your child will need to switch his/her phone off completely before entering the school grounds and will need to hand their phone in to a designated member of staff at the beginning of the school day. The school accepts no responsibility for lost, stolen or damaged mobile phones that are brought to school.

All mobile phones should be turned off until the child has left the school grounds.

If your child doesn't follow these rules and misuses their phone, the school will withdraw permission for them to bring it.

Yours sincerely,

SReynolds
