BrightBox

We held our first parent and child BrightBox session this week where everyone made a planter. This was a big success and lots of fun was had by all involved – parents and children.

We're looking forward to seeing you if you've secured a place at our sessions over the next 2 weeks. Please note – these sessions are allocated already and parents/carers who attend **must not** have a level 2 maths qualification (GCSE Grade C, CSE grade 1).

Nursery Play and Stay

Thank you to all the parents for attending the Nursery Stay and Play sessions on Tuesday. It was a really good turn out and all parents commented about how well the children sat for a group time, even when they were there! It was a really great day; thank you.

Sheffield Steelkings

The Sheffield Steelkings Para Ice Hockey Club would like to invite you to attend their upcoming Winter Blast Christmas game.

"We understand that it can be difficult for families to keep their children entertained, especially as we get closer to Christmas where money might be tight. We are offering a night of FREE family friendly entertainment, introducing kids to the exciting world of disability sports."

Your Sheffield Steelkings Para Ice Hockey Club host their traditional Christmas inter-squad Winter Blast game on Sunday 17th December at IceSheffield. We'd love to see as many fans in the stands as possible!"

Toilet Workshop

We held a toileting workshop on Wednesday. Unfortunately, only 2 parents attended. They did however find it useful, so please look out for workshops and events in the future.

Conduct on School Site

Please can we remind all parents and carers that mobile phones should **not** be used on the school site.

For safeguarding reasons, please keep your phone away and on silent. If you are on your mobile phone when moving around school you will be asked to put it away.

Thank you for your support and understanding with this.
