Dear Parent/Carers

Bright Box DIY Workshops

We are thrilled to announce that we can run 3 more BrightBox sessions at Bankwood. These took place in November and were a big success, however, have limited spaces.

We will be holding three Maths and DT DIY workshops for parent and KS2 child if you are interested. The workshops will start at 2.30pm-5.30pm with a snack provided. At the end of the workshops you will be able to take the items home.

The workshops are aimed at complete beginners and adults need to have **not** got a level 2 maths qualification (GCSE Grade C, O level grade C or CSE grad 1). We will need evidence of this.

Dates for sessions available are:

- 1) Wednesday 28th February – Planter
- 2) Wednesday 6th March – Bird Box
- 3) Wednesday 1th March - Stool

If you are interested in attending any of the workshops above with your child, please circle which you would like to attend. The slips must be returned to the school office and spaces are allocated on a first come, first basis. We will contact you if you receive a space.
