Y6 SATs

A big well done to all our Y6s who completed their end of key stage 2 SAT tests last week. These have now been sent off for marking and analysis. We will receive the results in July.

Attendance

Our attendance target is **96%**.

Unfortunately, attendance has been low recently and we've noticed a lot of absences. To support in school we discuss the importance of attendance, hold weekly attendance battles, have class attendance winners, weekly OTIS prize winners and do weekly stickers.

Please support us with attendance and our target by getting your child to school each day. If they are unwell, it is important to phone the school office to let us know.

MoveFest

On Thursday 23rd May a large group of KS2 children, with pupils from Y3, Y4, Y5 and Y6, all attended MoveFest at Sheffield Crucible. Our children were given the rare opportunity to perform an incredible dance on the main stage of the Crucible and could watch others perform as well. It was a fantastic event. A big well done to all who went and performed – you were incredible!

Class Swap Read

On Thursday 23rd May we held our Class Swap Read event in the afternoon. This is where pupils mix and read books with children from another class.

This is always a great event as it allows children to interact with others and share the love of reading.

Active Travel

We're always eager to promote active travel to school and this week there has been a big push on it! Those who actively travel to school (walk, bike, scooter for example) receive monthly badges. Keep up the good work and keep earning those badges!

Ready to Learn

We notice a huge difference in children's attitude to learning when they are in the classroom **on** time and ready to begin the daily learning activities. Please help us with this by encouraging and getting your child to school for **8.30am** each day when the gates are open.

This week there has been a lot of absences. Please make sure these are reported with the school office.

All absences with no reason will be marked as unauthorised and a welfare home visit may be made.

If a child has an appointment, consider returning the child to school after (or before) so they don't receive a full day's absence.

Well done to Y2AW who have met both the attendance target and ready to learn target this week.
