 You could print out a sheet to complete it or if you don't have a printer then you could take a picture or video of you completing a challenge and email it to your teacher. Could you complete all of these challenges over the summer holidays?

Your task this week

Are you feeling strong? Have a go at this activity – super strength! It is similar to some of the HIIT moves we have done in class and will help to develop your core strength – which is really important in avoiding injuries.
