

FS1 Home Learning Tasks – Week beginning Monday 22nd June 2020

Writing

We love The Jolly Postman book.

If you don't have this book to read have a look at this video

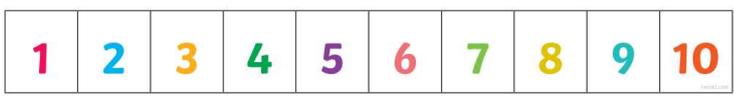

https://www.youtube.com/watch?v=gpeo_0yoD0k

Talk about what you think might happen next with a grown up while you are watching/reading.

Can you spot any of your favourite fairy-tale characters?

Have a go at drawing a picture of your favourite character from the book. We would love to see a photo of your creation!

Maths

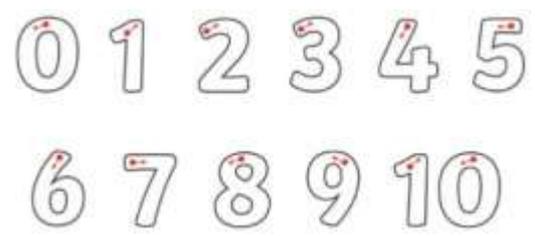

Practise reading the numbers:

Muddle up a big pile of socks. Can you count them? Practise finding matching pairs and sizes.

Now have a go at writing the numbers:

Follow the arrows to help you form the numbers correctly. Say the numbers aloud as you write them.

Exploring the World

In an ice cube tray, add some small things you can find to fit in each hole. Ask someone in your family to add water and pop it in the freezer.

We added some craft items into our tray – but you could use anything you have in your home.

What do you think will happen?

Can you rescue the items?

We would love to hear about what you found out!

Phonics

Watch the set 1 speeds sounds phonics lesson.

A new 'speed sound' is added each day for you to practise at home. You can find them here:

https://www.youtube.com/channel/UCo7fbLgY2oA_cFCIg9GdxtQ

Can you form the letter that goes with the speed sound video that you have watched?

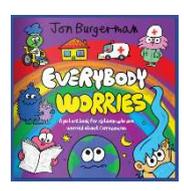

Then try some body percussion using your bodies, pitch, beat, and rhythm. <https://www.youtube.com/watch?v=sW2DY1OpgrI>

Personal, Social and Emotional Development

Have a look at this book together:

<https://en.calameo.com/read/000777721945cfe5bb9cc?authid=Xu9pcOzU3TQx>

It's ok to be worried and it's good to talk about these things. There are some links on the back page of the book for further help supporting your little one through this strange time.

Physical Development

Practise hopping on one leg then change for the other leg. Which one was the easiest? Can you make a pattern of moves? Jump x2, hop x3, clap your hands x2, then repeat. Tap your knees x3, bend and touch your toes x5, move like an aeroplane x10. Can you make your own pattern?

Have a go at your favourite dance on go noodle.

<https://family.gonoodle.com/>

We look forward to seeing what activities and learning you have been getting up to at home. Please email your responses or questions to FS1@bankwood.sheffield.sch.uk
Emails will be answered between 9.00am and 3.30pm, Monday to Friday.
