

FS1 Home Learning Tasks – Week beginning Monday 6th July 2020

Reading

This week, we are reading Jack and the Beanstalk. If you don't have this book at home, then watch this video:
<https://www.youtube.com/watch?v=VCpAYajmvo>

While you read/watch, discuss what might happen next in the story.

Can you retell the story to a grown up? You could draw/make the characters and use your beanstalk from the activity below to help you do this.

We would love to see some photos of you retelling the story!

Maths

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20

See if you can count to 3. What comes next? Keep going to see if you can count beyond 10. How far can you count?
Challenge: Can you count up to 20 objects accurately?

Estimating is so important! Ask your adult to give you a small pile of objects (no more than 10). How many do you think there are? Now, count them to check if you were right. Keep practising this skill.

We would love to see a photo of you counting!

Expressive Arts and Design

Using any Duplo, Lego or blocks that you have, can you create a tower like the one in Jack and the Beanstalk?

If you don't have anything you can use, you could draw/paint the beanstalk instead. You could even use some scissors to cut some real grass to add to your picture.

We would love to see a photo of your creation!

Phonics

Can you think of some words that rhyme with Jack? Sack, back ...

What about words that rhyme with bean? Clean, seen ...

Can you think of any words that rhyme with stalk? Walk, chalk...

Can you think of some words that rhyme with your name?

Let us know which rhyming words you think of!

Singing

Have a look on this website:
<https://www.bbc.co.uk/teach/school-radio/nursery-rhymes-a-to-h-index/z4ddgwx> and choose your favourite nursery rhyme to sing with a grown up!

We love 'Wind the bobbin up', which is your favourite?

Listening and Attention

Have a go at playing 'Dance Freeze' (just like musical statues)!

Make you have an open space clear of obstacles and play some of your favourite music. Dance when the music is on and freeze when it stops.

This video is great for this game:
