

**Meadowhead Academy Trust**

**Year 6 Open Virtual Open Evening**

**Thursday 1<sup>st</sup> October 5-6pm**

We are having to do things quite differently this year due to public health restrictions but we are still keen for our prospective parents to join us virtually at our annual Year 6 Open Evening. Choosing a secondary school is one of the most important decisions you will make and we hope that the information provided live on the evening of Thursday 1 October and on our website will help you to make your choice. The programme for the evening will include

- An introductory welcome from the Headteacher
- Presentations from key staff about transition to Year 7
- Curriculum provision and opportunities at Meadowhead
- Presentations from existing students on life at Meadowhead
- Presentations from parents

Although nationally Year 6 transition was disrupted last summer due to COVID, we are really proud of what we were able to achieve without compromising health and safety. We look forward to sharing with you our successes from last summer to give you an insight of our willingness to go above and beyond for our students at Meadowhead. We are proud to say that our Year 7 students are settling in beautifully and are enjoying the benefits of having familiarised themselves with Meadowhead School and all that it entails.

We welcome you to join us for this virtual event in order for you to experience the fantastic opportunities Meadowhead has to offer. Please follow this link to join the meeting 5pm on 1<sup>st</sup> October <https://mhsch.uk/y6evening> or access the recording via our website shortly afterwards.
