

## **Samba Sports Coaching Afterschool Multi Sports Club – Bankwood Primary School- (Year 6)**

Dear Parents/Guardian,

We are pleased to announce that Samba Sports Coaching Ltd will be delivering an afterschool club at **Bankwood Primary School** pupils starting on **Mon 4<sup>th</sup> March** for a **4-week** period ending on **Mon 25<sup>th</sup> March** . The club will start at **3:10 pm** and will end at **4:10 pm**.

Samba Sports Coaching Ltd use an online booking system (class4kids) for all afterschool clubs. The booking system is nationally recognised and follows all GDPR and data protection guidelines.

The software automatically creates registers for the club, provides staff with all the important information about your child, allowing us to follow appropriate safeguarding procedures. It is compulsory that all children who attend our club book directly through our online system. The session is school funded, which means there will be no cost applied, but it is important to still register your child for safeguarding purposes and limited places available.
